

Sacred Journey PATHWAYS

Preparation,
Celebration and Vigil

Sacred Journey Pathways confidently, honestly and gracefully communicates with you and your family so that your concerns and desires are honoured and supported. We help you fulfill end-of-life wishes and goals and help organize your life priorities.

Having support throughout your final days will help alleviate fear of death and provide you and your family with companionship and support.

Some of the services that we provide are:

- Companionship, attendance and note-taking at medical/physician appointments.
- Assist in the gathering of information and encourage informed choices.
- Support with health care decisions.
- Organization of your possessions.
- Online accounts and password cataloging.
- "Bucket List", life and legacy review.
- Liaise with your chosen funeral home.
- Sitting vigil

Please visit our website for a full list of services and prices.
